

Hey, I'm

**Solange Iyubu**  
a software developer

## — Here's what is Keeping me busy —

Andela stuck up program

After CMU has showed me how strong and How far I can go, I chose to more shapen my brain with Andela stuck up program while I am waiting a job

Counting People Project

After CMU has showed me how strong and How far I can go, I chose to more shapen my brain with Andela stuck up program while I am waiting a job

## —Here's what I have done so far—

**Andela**

*Stuck up program 2020*  
Kigali-Rwanda

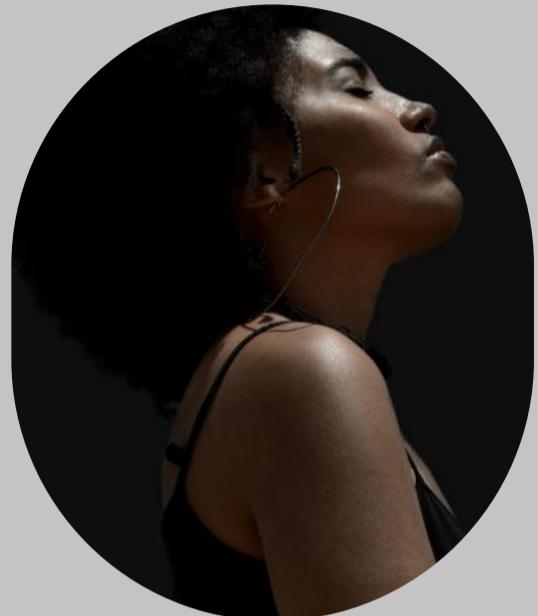

Dancing Pineapple curates electronic music and hosts concerts in New York and Los Angeles. Our goal was to share music and experiences that make people happy. A portion of the proceeds from many of our events went to supporting youth music education via Little Kids Rock.

**Carnegie Mellon University**

*Master's program 2018-2020*  
Kigali -Rwanda
